SARRTP

Substance Abuse Residential Rehabilitation Treatment Program

SARRTP has been relocated to the New Liberty Building/56 on the KCVA campus. The liberty building includes a workout room, recreation room, living

room, dining room, kitchenette and outside patio area for the veteran to enjoy during the break times. They will soon be starting on the basement project that will house the treatment teams offices, class room and staff breakroom.

SARRTP is a 21 day program that can hold 28 veterans. The veterans attended programming seven days a week. We hold outpatient classes here throughout the week and have many AA, NA and CA meeting lead by outside volunteers in the evenings.
